EDUCATION

Southern Methodist University, Dedman School of Law, J.D.,

Alex Atwood provides strategic counsel on venture capital transactions and complex corporate matters. Representing both investment funds and emerging companies, Alex steers clients through every critical milestone—from initial formation and equity structuring to high-stakes acquisitions and exits.

With a background rooted in venture capital and experience at a large national law firm, Alex brings a sophisticated understanding of deal mechanics, particularly within the dental and healthcare M&A sectors. His expertise extends beyond the term sheet; he skillfully manages the intricate intersections of regulatory compliance, real estate, and employment law that define successful ownership transitions.

A dedicated, solution-oriented advisor, Alex prioritizes a deep understanding of the business and personal factors driving each deal. By aligning legal strategy with his clients' commercial goals, he ensures that every transaction is not only efficient but positioned for long-term growth.
