Michele Montgomery practices in the area of estate planning and administration. She believes that a great estate plan is essential to peace of mind for not yourself, but your family, too. Her background is rooted in visual arts, marketing, and commercial styling—industries where success relies on meticulous attention to detail and creative problem-solving, and she brings that same eye to crafting legacies for families. She understands that estate planning is rarely just about financial assets; it is about people and their unique goals.

Michele obtained her bachelor's degree from the University of Louisville and her J.D. from the University of Louisville Louis D. Brandeis School of Law. She previously served as a summer associate and law clerk at McBrayer.
